

**Conditions for issuing an authorization**

With your authorization, you give Ecomare permission to send a direct debit transaction to your bank to deduct from your account the given amount as shown on the authorization. In addition, you give permission to your bank to continuously deduct an amount from your account in accordance with the instructions from Ecomare (ID collector: NL93ZZZ412392140000). If you disagree with the deduction, you can have it returned. In that case, you must contact your bank within 8 weeks of the transfer. Ask your bank about the conditions.

You can end your authorization at any time. Cancellations and changes can be reported per telephone +31 222 317741 or per e-mail ([vrienden@ecomare.nl](mailto:vrienden@ecomare.nl)). You will always receive a confirmation for your cancellation.
